TRANSFER OF OWNERSHIP OF HORSE – REQUIREMENTS / GUIDELINES SCHEDULE

- 1) Transfer of Ownership of Horse applications must be submitted within seven (7) days of a change of ownership, or prior to the horse next racing or trialling, whichever is earlier. A late Penalty Fee of \$140.00 applies for transfer applications lodged in excess of sixty (60) days from date of stated transfer (excluding yearlings purchased at sale):
 - a. **Australian Harness Racing Rule 111 (2) states:** “Within 7 days of agreeing to the change or prior to the horse next racing, whichever is earlier, or such other time as the Controlling Body may determine, the transferee shall make application to the Controlling Body to register the change.”
- 2) To reduce the overall processing time, HRNSW accept submission of Transfer of Ownership of Horse applications electronically (emailed to registration@hrnsw.com.au) or via facsimile (sent to 02 8580 5792) however; it is noted that the scan or fax must be of sufficient quality and clarity to ensure that the document is wholly legible when printed by HRNSW. Low quality, poorly scanned or incomplete applications will not be processed;
- 3) The transfer application must be completed correctly by both the **previous** and **new** owner(s) in all respects. Transfer applications received that have been incorrectly completed or not fully completed will be returned unprocessed to the nominated Partnership Manager or individual owner (as the case may be) for correction and resubmission to HRNSW, which will delay the overall transfer process;
- 4) Payment of the required \$70.00 transfer fee must accompany the Transfer of Ownership of Horse application, and may be made by cheque, money order, credit card (Visa or Mastercard only) or by direct deposit to HRNSW:

<i>Banking Institution</i>	<i>Commonwealth</i>
<i>Branch</i>	<i>Bankstown</i>
<i>Account Name</i>	<i>Harness Racing NSW</i>
<i>BSB</i>	<i>062-111</i>
<i>Account Number</i>	<i>1046 7584</i>
<i>Reference</i>	<i>The name or Certificate Number of the horse being transferred</i>

Please ensure, if paying by direct deposit to the HRNSW account, that you indicate this on the transfer document and email a copy of the payment advice to registration@hrnsw.com.au. Note that this payment method may delay the transfer process by between 48 – 96 hours (until the payment has been cleared into the HRNSW account);

- 5) Prize money related to the horse being transferred will be paid to the previous owner(s) until such time as the Transfer of Ownership of Horse application has been received, reviewed and subsequently processed by HRNSW, thus it is important to ensure that the transfer application is lodged in a timely manner so that the new owner(s) will receive prize money proceeds and be correctly debited for associated race related costs. Prize money paid to previous owners as a result of the delayed submission of a Transfer of Ownership to HRNSW will need to be recovered by the new owner(s);
- 6) Schedule A of the Transfer of Ownership of Horse application **MUST** be signed by **all previous owners and part owners** of the horse being transferred unless a pre-existing agreement to have the nominated Partnership Manager sign of behalf of all parties has been approved by HRNSW and is already held on file. Schedule A must additionally be independently witnessed in the spaces provided for this purpose. Transfer applications not signed by all parties, or appropriately witnessed, will not be processed. An effective date of transfer must be provided as this information may determine to whom prize money is paid;
- 7) Schedule B of the Transfer of Ownership of Horse application **MUST** be signed by **all new owners and part owners** of the horse being transferred. By default, the individual listed first in Schedule B will be regarded as the Partnership Manager for racing purposes. The Partnership Manager is the person elected to be the principal contact in regards to matters concerning the horse, as well as to receive all correspondence and access to online statements. The Partnership Manager is not empowered to sign documents on behalf of other owners or part owners (unless an agreement, signed by all owners and part owners, accompanies the transfer application, expressly providing such authority). Schedule B must additionally be independently witnessed in the spaces provided for this purpose. Transfer applications not signed by all parties, or appropriately witnessed, will not be processed. Note that it is compulsory for the Ownership Percentages to be provided as this information may be relied upon in the event of any subsequent disputes associated with the ownership group. Additionally, the Ownership Percentages are used to calculate the amount of prize money paid to each part owner;
- 8) **BUYER BEWARE** : If in doubt, please check with HRNSW to ensure that the current owner(s) are not listed on the Unpaid Forfeits List (UFL) as horses associated with individuals on the UFL (or where other impediments may affect the status of the horse) will not be processed until the matter has been settled with the appropriate State Controlling Body. Additionally, ensure that all required signatures for the previous owner(s) have been provided in Schedule A. Invalid or missing signatories will result in the Transfer application being returned to the nominated Partnership Manager or individual owner (as the case may be) unprocessed;
- 9) **Previous owners** are encouraged, to avoid any repercussions due to possible delays in the transfer application being submitted or processed by the new owners, to complete and return **Schedule C** of the Transfer of Ownership of Horse application (**Notification of Pending Transfer of Horse**) to HRNSW so that the ownership is terminated as of the date on which the physical or financial transfer was conducted, which effectively takes the horse out of the name(s) of the previous owner(s). **New owners** should note that once a **Notification of Pending Transfer of Horse** has been received and processed, the horse is flagged as having no owner on the national database and will not be able to be nominated for trialling or racing purposes until such time as the completed transfer application has been submitted to HRNSW for approval and processing;
- 10) Note that all new owners or part owners **MUST** be over the age of eighteen (18) years. Individuals under the age of 18 are considered minors, and, as such, cannot be listed as an owner or part owner of a horse transferred in the state of New South Wales;
- 11) Note that the provision of the Purchase Price is compulsory and must be stated on the first page of the Transfer of Ownership of Horse application as this information may be relied upon in the event of subsequent disputes associated with the ownership group;
- 12) Note that transfer applications processed whereby the provided payment method is subsequently notified as having been declined or dishonoured by Finance staff may result in the horse being stood down until such time as the appropriate fee has been paid in full in cleared funds to HRNSW;
- 13) New owners and part owners are to note that all prize money will be paid into the bank account(s) as nominated by each part owner in Schedule B of the Transfer of Ownership document. Fees associated with races will be automatically offset against prize money as part of the fortnightly Stakes Run process. Whilst accommodations may be made for New Zealand and other overseas based participants on application to the Finance Team, it is preferred (for the sake of ensuring prompt payment of prize monies) that an Australian based bank account be provided;
- 14) The date of transfer stated on Schedule A of the Transfer of Ownership of Horse application must be accurately recorded as this will determine to whom prize money associated with a race conducted whilst an application is being processed rightfully belongs to. Note that it is the responsibility of the new owner(s) to liaise with the previous owner(s) in relation to the payment of prize money that may have been made to the previous owner(s) as a result of a delay in submitting the transfer application by the new owner(s). Additionally, recorded dates of transfer may determine ownership and / or breedership of foals born after the transfer application has been processed;
- 15) If the horse being transferred is a mare being sold inclusive of a “foal at foot”, the transfer application must be clearly marked accordingly (to the right of the horse name on Page 1 of the transfer document) otherwise the new owner(s) will be charged for two separate transfer fees;
- 16) Note that a maximum of twenty (20) new owners can constitute a partnership. If you have twenty one (21) part owners or more, you will need to complete an **Application to Register a Syndicate** form (available from www.hrnsw.com.au);
- 17) Note that the **Schedule of Statements and Declarations** (Page 4 of the Transfer of Ownership document) must be completed and signed by the nominated Partnership Manager and returned to the appropriate State Authority with the completed transfer document. Transfers received by HRNSW that do not include the signed and dated Schedule will be returned to the Partnership Manager unprocessed.
