➤ *If you have not undertaken a HRNSW Medical Assessment during the last six months you may be required to do so as part of the overall licence upgrade process.*

To minimise the overall cycle time for processing your licence upgrade application, please provide responses to the following questions (responses must be detailed in writing and accompany this upgrade application form when submitted to HRNSW):

- 1) please provide an indication as to how many additional outside horses you are considering taking on, and the time frame in which such additional horses would be added to your stable;
- 2) what owners, if any, have you approached (or whom have approached you) in relation to the taking on of additional outside horses;
- 3) please provide details of the anticipated impact the proposed increase to the number of horses to be trained will have on your current stabling arrangements, and what provisions have you made or will you make to adequately accommodate additional horses.

Note that all licence upgrade applications submitted are subject to review by the Harness Racing NSW Licencing Committee which may necessitate further information and/or undertakings on your part prior to a licence upgrade application being considered or approved.

Further information regarding the requirements associated with the licence upgrade you have applied for are contained in the HRNSW Licencing Policy (available at www.hrnsw.com.au or by contacting Harness Racing NSW) full details of which will be mailed out to you subsequent to receipt and processing of this upgrade application.

Please allow between 2 – 6 weeks for the processing of your upgrade application (dependent upon lodgement date). Note that upgrade applications received during the annual renewal processing period (July – September) may be held until existing participant licence renewals have been finalised before being considered.
