CONGRATULATIONS & THANK YOU!

Following the outstanding support for the **Cobbitty Equine Ultra Air Classic**, we are excited to launch **Series Three** and sincerely thank breeders across Australasia for their continued support.

If you bred a foal by one of our pacing stallions during the **2024/25 breeding season**, born in **2025/26**, your foal is now eligible to nominate.

For just \$330, your weanling can become eligible for our exclusive **\$200,000+ race series**, featuring two **\$100,000 Finals** and restricted to eligible progeny of Cobbitty Equine Farm stallions. Whether you're breeding to race or sell, Classic eligibility provides a valuable racing opportunity and an additional selling point.

Why pay \$1,400 or more for feature-race eligibility? Pay just **\$660 upfront with no more to pay**, or \$330 now plus a \$550 2YO sustaining payment. We believe there is **no better-value racing series in Australia!**

We are also excited to see the **inaugural Cobbitty Equine Ultra Air Classic run at Club Menangle on 12 December 2026**. We'd love for you to be involved and join us on course for what's set to be a big night, including giveaways and prizes to be drawn on the night. More information to come! Please contact Bel or Megs to express your interest.

For the 2026/27 breeding season, we will present our biggest and most diverse stallion roster yet, with stallions standing in **NSW and QLD**, providing greater eligibility opportunities for breeders. With costs continuing to rise, we have adjusted a number of our service fees to provide greater value. Our advertised fees are a guide, and we're happy to work on packages to suit your mares and budget.

Thank you again for supporting Cobbitty Equine Farm and the Cobbitty Equine Ultra Air Classic. We look forward to another exciting breeding season and seeing our first Classic contenders on the track this December.

Kind regards,

Belinda McCarthy

Cobbitty Equine Farm

SERIES THREE - 2028

FOAL NOMINATION FORM

The Cobbitty Equine Ultra Air Classic is restricted to horses sired exclusively by a Cobbitty Equine Farm pacing stallion. All live foals conceived during the 2024/25 breeding season are eligible to compete in this Two-Year-Old Race Series, including those from mares served in Australia and New Zealand.

COBBITTY EQUINE ULTRA AIR CLASSIC - SERIES THREE
