

27 December 2019

NOTICE TO INDUSTRY

GEAR NOTIFICATION AND CHANGES

Trainers are reminded that all Gear notifications and changes must be submitted by **9:30am the day prior to racing**.

Australian Harness Racing Rule (AHRR) Relevant Rules:

AHRR 268. Gear used in connection with racing shall be approved by the Controlling Body.

- AHRR 268A. (1) Applications concerning gear shall be made on form R25-A
- (2) Part B of form R25-A must be completed and lodged with the Controlling Body no later than 48 hours before the nomination of a horse for a race.
- (3) In the event of a change to any of the particulars entered on Part B of form R25-A a fresh gear form containing current particulars shall immediately be lodged with the Controlling Body.

AHRR 269. In the case of a horse to compete in a race, application to change any gear must be made to the Controlling Body by the connections at a time to be determined by the Controlling Body.

AHRR 269A. An application to change any gear shall be made to the Controlling Body on Part B of form R25-A.

- AHRR 273. (6) A person shall not present to start or start in a race a horse that is:-
- (b) not wearing the gear that has been approved by the Stewards for that horse.

Commencing 1 January 2020, all non-compliance including failure to lodge or incorrect gear forms will result in a \$50 penalty being issued (Per Horse).

Stewards may increase penalties where the Trainer has repeated offences.

Late gear notifications or changes will be subject to Stewards approval and penalties may apply.

HRNSW Stewards encourage all Trainers to ensure that the prior to 1 January 2020, gear forms are reviewed to ensure accuracy.
