

2025 HARNESSWEB FOAL REGISTRATIONS

19 September 2025

NSW Standardbred owners, breeders and Stud Masters are reminded that they are now able to register their 2025 foals online via their HarnessWeb account.

Note that, should you be unable to register your foals online, you will need to contact the Stud where the servicing stallion stood for the 2024/2025 breeding season and request that a printed copy of the relevant Certificate of Service be made available to you.

The above applies only to NSW standing stallions - all queries for stallions that stood interstate will need to be directed to the appropriate Stud or relevant State Authority (HRV, QRIC, HRSA, etc).

Be aware that foals are required to be registered within four (4) weeks of a live birth.

FOR FURTHER INFORMATION PLEASE CONTACT:

Name: **Grant Wootton**
Position: Registrar
