

NOTICE TO INDUSTRY

WARNING – FENBENDER 100

30 October 2025

As a result of a HRNSW investigation, the Australian Racing Forensic Laboratory (ARFL) have detected traces of Levamisole in a sample of Fenbender 100. An image of this product is provided for your information.

Until further notice, as Levamisole is a prohibited substance, trainers are cautioned in relation to the use of this product as it may result in a sample irregularity.
