NOTICE TO PARTICIPANTS HRNSW "OUT OF DRAW" POLICY

REMOVAL OF FIRST ODM

Currently, when a horse has been made ODM or ODS by the Stewards pursuant to Rule 134, the first embargo is able to be lifted at Official Trials at which a HRNSW Steward is in attendance.

After a suitable review period, HRNSW Stewards have decided that the first ODM can now be removed by all Official Trial Supervisors.

However, the removal of the second ODM can only be lifted after competing in a race.

It is the responsibility of the Trainer of a horse wishing to have an Out of Draw lifted at official trials to inform the Official Trial Supervisor prior to trialling.

In accordance with the Official Trials Policy, the Trainer shall ensure that he has the horse's registration papers available at the trials for inspection by the Stewards/Supervisor.

This Policy will come into effect from 1 June 2013 and is to be reviewed after a period of 6 months.

LIFTING OF ODM

Trainers are reminded that in order for the second ODM to be lifted, the officiating Stewards must be requested by the Trainer to have the ODM lifted.

For the ODM to be lifted Trainers must make a request on the race day/night that the horse competes. Failure to do so June result in the ODM not being lifted.

NOTICE TO PARTICIPANTS APPLICATION TO TRAIN HORSES BY VISITING TRAINER

Due to the increased occurrences of interstate and international trainers now racing in NSW it is imperative from an integrity perspective that Stewards are advised of the location of competing horses and who will be in charge of them during their campaign.

It is therefore a requirement of HRNSW that all visiting trainers complete and return the Application To Train Horses By Visiting Trainer Form following acceptance in any NSW race.

The forms will be sent to visiting trainers by the HRNSW Racing Office and must be returned to the HRNSW Stewards 24 hours after the release of race fields. Forms are also available on our website at <http://www.hrnsw.com.au/forms.html>.

Non compliance June result in any horse being withdrawn from the field and action taken against the trainer under the Rules of HRNSW.

The lodgement of an application form does not apply to horses travelling directly from their home stable to and from a race meeting.

For further information please contact HRNSW Integrity Department on 02 9722 6600.

NOTICE TO PARTICIPANTS CONCESSION DRIVER TERMS & CONDITIONS

The HRNSW Board made amendments to the Concession Driver Terms & Conditions at its meeting of 28 January 2014.

Background

The Concession Driver Terms and Conditions have had many changes over the years to better fit the NSW racing environment.

Since the last changes in July 2012 there have been changes to the landscape of racing in NSW.

These changes have been brought about by the programming of multiple conditioned events, races for R1 and better horses at Tier 3 meetings being framed by the Handicapping Panel and the Reduction In Class Rule has taken its full effect, meaning that a small percentage of the horse population progresses to C4 or better.

Due to the above facts, Concession Drivers are receiving fewer opportunities to use their claim and hence trainers have been provided with less opportunity to drop their horses back in class and therefore HRNSW needs to reconsider the Conditions.

Amendments

The Conditions have been amended whereby now the minimum front of races is changed from C2 to C1, from R2 to R1, from T2 to T1 and from TR2 to TR1.

The above changes will bring the minimum fronts of the races in line with both the Mares Automatic Drop Back Clause Policy and the Australian Handicapping Rules.

Furthermore Concession Drivers can now be utilised in divided stakes events (i.e. races programmed as R1 or better) and in conditioned events where there is no determined front of the race (i.e. For horses assessed no better than C2 that have not won more than \$1,000 in their last 4 starts).

New Conditions – effective 1 March 2014

All conditions are subject to annual review.

Term	Condition
Term	5 years from attainment of an initial B Grade Drivers Licence* or the driver reaches the age of 23, whichever is the latter. (*If applicable, the term will end at the conclusion of the 5th racing season after the attainment of an initial B Grade Drivers Licence)
What is a Win?	A win will count whether or not a concession has been claimed. (A dead-heat does not count as a win).
Wins	250 (for the Term)
Term Extension	Should a driver not win 50 races during the Term then they will receive a two year Term Extension. The Term Extension will end upon whichever of the following occurs first: a) a driver wins the 50th race of their career b) at the conclusion of the 2nd racing season of the Term Extension Term Extensions are not retrospective and commence with drivers coming out of their Term on 31 August 2012.
Minimum Front	M1 C1 R1 – TM0 T1 TR1
Restrictions (Claim cannot be used)	M0, C0 & R0 front races plus T0 & TR0 front races 2YO & 3YO races Special Handicap Conditions Discretionary Handicaps Claiming Races NSW Breeders Challenge Races Classic Events A race with prizemoney ≥ \$30,000 Races specified from time to time by HRNSW in conjunction with the conducting club
