

DATES FOR POSTPONED NSW BREEDERS CHALLENGE

JUNE 3 2020

HRNSW has confirmed the 2020 Breeders Challenge Finals will be conducted from Tuesday 15th September with the four Group One Finals on Saturday night 24th October at Tabcorp Park Menangle.

Heats will be conducted at Gold Crown Paceway Bathurst, Riverina Paceway Wagga, Newcastle International Paceway and Tabcorp Park Menangle in line with the original schedule.

Traditionally held on the last Sunday in June the Major Finals consisting of four Group One events for two and three year old pacers were disrupted by regionalisation brought on by the COVID-19 pandemic.

The Breeders Challenge Blue will follow the Major Series on Saturday 7th November whilst the Regional Series will potentially commence on Tuesday 17th November. The format however for the Regional Series may convert into a regional concept similar to the highly successful TAB Championships.

The Finals night of the Major Breeders Challenge Series will be complimented by the last heat of the NSW Rising Stars Championships as well as the JC Caffyn Plate for indigenous drivers.
