

OUTSIDE DRAW – MOBILE
Effective 1st February

During the month of October HRNSW undertook a series of Regional Race Programming Sessions. At the sessions attendees were asked their opinion concerning a range of issues.

Following feedback received HRNSW undertook a survey of all stakeholders in December to gain a broader view.

With respect to Outside Draw Horses at Bathurst, Riverina Paceway and Goulburn the question and outcome was as follows:

At Bathurst, Riverina Paceway & Goulburn where should ODM horses start?

- i. Outside of the Back Row
- ii. Outside of the Front Row

Outside Back Row Total	Outside Front Row Total	Responses		
		Total	Back Row %	Front Row %
158	250	408	38.7%	61.3%

Based on the feedback received from 1 February 2020 ODM horses at Bathurst, Riverina Paceway and Goulburn will start for the outside of the front row.

If a horse is RODM they will start from the extreme outside of the front row.

If a horse is made EODM they will start from the extreme outside of the row they were drawn on.

If an Emergency is an ODM, RODM or made EODM they will start from the extreme outside of the second row.
