[] Rank at the end of each section TAB# Saddle cloth number MR Mile Rate — time per mile (1609m) Dist Distance travelled, in metres
Q Quarter (approx. 400m section) -:-:- No data available for this section N/A Information not available

POWERED BY

NOTE: Timing is based on positional data. Mile Rate is the race rate per mile (1609m) from gross time over the actual distance travelled. Quarter times are cumulative from the start; bracketed figures are the quarter section time. Distance Travelled is the ground each runner actually covered per section.
