

**APPLICATION FOR AN ARTIFICIAL BREEDING TECHNICIAN LICENCE
FOR REGISTERED STANDARDBRED MARES – 2022 / 2023 BREEDING SEASON**

This application is to be completed in full and submitted with any additional documentation as may be requested herein. **Note that applicants issued an Artificial Breeding Technician licence by HRNSW are licenced on the provision that they are to only undertake AI procedures on registered Standardbred mares using fresh, chilled or frozen semen obtained from stallions registered with HRNSW for the application season.**

Signature of Applicant	Date
------------------------	------

Please complete and return this application to the attention of the Registrar & Licencing Officer. Note that you will be required to provide (if HRNSW do not have such documents on file for you) the following:

Identification *(copy of Birth Certificate or a clear colour copy of your NSW Drivers Licence or Australian Passport)*

National Police Certificate *(issued by the NSW Police Service – per link):* <https://portal.police.nsw.gov.au/s/policecheck-definition?reportType=CP> **PoliceCheck**

Digital Photograph *(JPEG emailed to registration@hrnsw.com.au or passport photo mailed with application)*

Note that, per the directions of the Veterinary Practitioners Board of NSW, applicants are required to provide a **Supervising Veterinarian Declaration** *(printed on the reverse of this licence application)* which is to be completed in conjunction with the registered veterinarian whom will provide you with general supervision in relation to the AI procedures that you undertake *(ie: the registered individual that provides you with general equine veterinary services, drugs or medications as required and is your first point of contact if there are concerns or adverse events associated with your AI activities and procedures)*. **The provision of the completed Supervising Veterinarian Declaration form is a mandatory requirement.**
