MARE RELOCATION ASSISTANCE 2019

Harness Racing NSW as of August 1 2019 is providing assistance for breeders to transport their registered Standardbred mares to Yirribee Stud at Wagga or alternate NSW properties which are not recipients of other HRNSW Drought Assistance Schemes.

Although HRNSW is assisting with the transportation costs of the mares, the contract for the mare/s at Breeding Nurseries or Stud Farms is solely between the owners of the mare and the proprietors of such properties. The decision whether to accept the mares rests solely with the proprietors of properties.

All on farm costs (agistment, working fees, veterinary costs, etc) are at the expense of the owners of the mare/s as per the terms and conditions of the contract with Yirribee Stud or the proprietors of other Breeding Nurseries or Stud Farms.

An application to HRNSW from the owners of the mare/s must be completed accurately and approved preferably before transport.

For consideration of an application, HRNSW must be provided with a copy of the contract between the owners of the mare and the proprietors of the properties located within NSW.

HRNSW must also be provided with details of the proposed transportation at the time of the application being made.

Upon approval by HRNSW, transportation costs will be paid upon verification from the Breeding Nursery or Stud Farm that the transportation of the mare/s has been undertaken.

If you would like to apply for HRNSW to assist with the transportation costs of a Standardbred mare or mares please complete the following details and return to assistance:
