

## PHYSICAL THERAPIES AS TREATMENT

JUNE 18 2020

**HRNSW Stewards remind all industry participants that certain physical and complementary therapies are considered to be treatments which should not be administered on the day of racing.**

The possession of Magnetic pads, rugs and leg wraps at a racecourse at which a meeting is being conducted will be considered in breach of AHRR 213C.

AHRR 213C. A person shall not have in their possession at a racecourse at which a meeting is being conducted any electrical, mechanical or galvanic device, equipment, appliance or apparatus which can be used to treat a horse.

Physical Treatments which should not be given on race day include, but are not limited to;

- Acupuncture (Including laser treatment)
- Magnetic Field Therapy and any other form of electrical stimulation
- Transcutaneous Electrical Nerve Stimulations (TENS)
- Ultrasound
- Extra-Corporeal Shock Wave (ESWT) treatment of horses is prohibited for seven (7) clear days prior to racing AHRR 213B.
